For Group Life and Medical Insurance- Outpatient, Hospitalization, Maternity Coverage Insurance Support for National Staff of HI Bangladesh

Pre-tender meeting minutes dated on Dec 18, 2023

Referring to the ICFT REF.: B51-DHAK-LOG-2023/04, the pre-tender meeting was held at the HI Country Office on Dec 18, 2023. On behalf of the Handicap International Federation, the team briefed the purpose, background and including specific and general terms and conditions of the service procurement and also the selection process.

All questions raised by present vendors were responded. After discussion in the meeting and Handicap International Federation internal discussion, the following responses are made:

SL.	Topic appeared	Response
1.	Total Number of Members	<p>The Total Number of Members will be calculated as per the attached staff list along with their dependents as tentative (It can be increased or decreased)</p> <p>Presently, the total membership comprises staff and their dependents, with a combined count of 987 individuals. This calculation includes HI all 329 members and 658 dependents.</p> <p>In the tender schedule (Page: 12), the mentioned number of staff/members are based on assumption, which will be followed by the final staff list. As HI has plan to hire more staffs in 2024, where based on assumption the total number of members can be approx. 1250.</p>
2.	Staff's Children Age	<p>HI policy allows to include employees' children up to the age of 18 in general, and up to 21 years old if they are pursuing further studies. There is no age limit for children</p>

		with disabilities, and there is no specified limit on the number of eligible children.
3.	Pro-rata basis calculation	<p>As an illustration, consider a scenario where an employee is covered by insurance for only 3 months during the contract. In such a case, the premium calculation would be as follows:</p> <p>Premium for Previous Employee: $(\text{BDT } 1200/12) * 3 = \text{BDT } 300$</p> <p>This BDT 300 will be allocated for the premium coverage of the previous employee or who leaves organization.</p> <p>Remaining Premium for Next New Employee: $\text{BDT } 1200 - \text{BDT } 300 = \text{BDT } 900$</p> <p>The remaining BDT 900 will be covered by the next new employee through the inclusion and exclusion process, should someone else join instead of the previous employee. This ensures a seamless transition of coverage while optimizing the utilization of insurance premiums within the contractual framework.</p>
4.	Breakdown of the premium	<p>Bidders shall share the breakdown of the premium Per thousand per year under each category should be mentioned clearly in the financial bid as mentioned in the tender.</p> <p>Additional detail can be attached clearly.</p>
5.	Clear representation of the bidding documents	<p>Appendix: B (Supplier Evaluation Questionnaire) should be filled clearly. If required to explain through other documents then that to be mentioned with page number in the Questionnaire.</p> <p>HI recommend not to submit unnecessary documents and submit bids with clear and concise manner.</p>
6.	Mandatory Documents	All mandatory documents mentioned in the Tender schedule should be submitted at the time of submitting bids.

All other terms and conditions remain unchanged.
